

Name _____

Date _____

Grade Level: 3rd Grade | Standard: 3.N.2, 3.A.1 & 2

Multiply by 9!

Directions: Apples are full of vitamins, which keep us healthy! Solve each problem using the numbers on the apples. Then, complete the series below.

$9 \times 1 = \underline{\hspace{2cm}}$

$9 \times 2 = \underline{\hspace{2cm}}$

$9 \times 3 = \underline{\hspace{2cm}}$

$9 \times 4 = \underline{\hspace{2cm}}$

$9 \times 5 = \underline{\hspace{2cm}}$

$9 \times 6 = \underline{\hspace{2cm}}$

$9 \times 7 = \underline{\hspace{2cm}}$

$9 \times 8 = \underline{\hspace{2cm}}$

$9 \times 9 = \underline{\hspace{2cm}}$

$9 \times 10 = \underline{\hspace{2cm}}$

$9 \times 11 = \underline{\hspace{2cm}}$

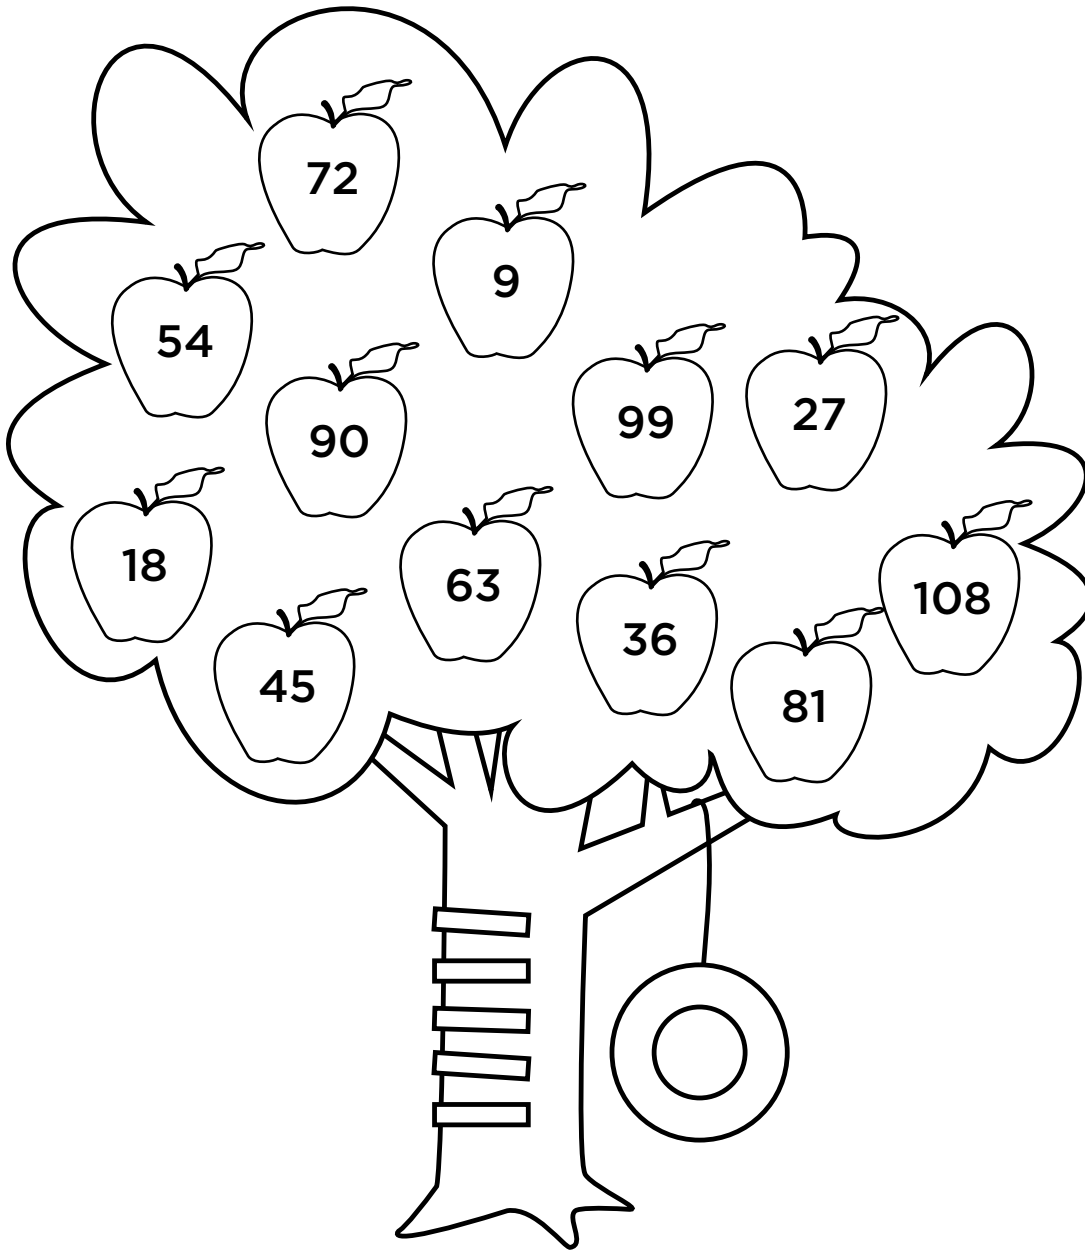

$9 \times 12 = \underline{\hspace{2cm}}$

Directions: Write the correct number in each circle.

ANSWER KEY

Directions: Apples are full of vitamins, which keep us healthy! Solve each problem using the numbers on the apples. Then, complete the series below.

$9 \times 1 = \underline{9}$

$9 \times 2 = \underline{18}$

$9 \times 3 = \underline{27}$

$9 \times 4 = \underline{36}$

$9 \times 5 = \underline{45}$

$9 \times 6 = \underline{54}$

$9 \times 7 = \underline{63}$

$9 \times 8 = \underline{72}$

$9 \times 9 = \underline{81}$

$9 \times 10 = \underline{90}$

$9 \times 11 = \underline{99}$

$9 \times 12 = \underline{108}$

Directions: Write the correct number in each circle.
